Dear Parents/Carers,

The Christmas season is well and truly upon us. You should by now have received a note home about your child's part in both the Nativity and Christmas Around the World.

Please send costumes to school in a named bag ASAP. Please also encourage your child to practice learning their lines without reading them.

There will be Roy Rak jewellery available to buy (not order) at the Christmas production at school on the 11th December. Do come and buy some Christmas gifts if you still have shopping to do—you will be literally saving women from the streets in Thailand.

I am delighted to let you know we have appointed Ms Curry to work as our level 3 teaching assistant. She will join the team on the 6th December. She is very experienced and looking forward to working with us. We currently have Mrs Warcup covering our HTLA hours on supply. She also has a wide range of teaching experience. We will keep you posted about this position.

I wish you a wonderful weekend together.

Best Wishes, Katherine Ayre

## Water Bottles

A quick reminder that all children must have their own water bottle in school every day please. This is to keep them hydrated and also to stop infections spreading . Thank you

**Spellings We have noticed that many of the children are not practising the spellings in their spelling books at home. Well done to the faithful few who do them every week. We will therefore be doing a spelling check on Friday in the hope that the children will engage in this important life skill a bit more. Remember they can practise them in the way that best suits their learning style too!**

## Attendance this week

National expectations : 96.1%

Our school: 89.7%

Our school target : 96.2%

Advice can be found at: <https://www.education-ni.gov.uk/sites/default/files/publications/de/attendance-matters-a-parents-guide.pdf>

Individual attendance that is below 90% will automatically generate attendance notifications from school.

## Drop off in morning and mobile phones

Please note that children **can't** be dropped off at school before **8.45am** unless there has been some prior arrangement with Mrs Ayre. We have to ensure there is a staff member available.

The same applies to children having mobile phones in school. Only by prior arrangement for exceptional circumstances please.

## Homework Project Reminder

Please remember that your child's homework projects are due in next Friday ( 7th December) so this is your last weekend to work on them together. They will be on display in the entrance hall before and after our Christmas Around The World performance.

## Attendance

**On Wednesday we have the Education Welfare Officer coming to school to talk the Mr Blake about our attendance percentages. If any parent needs further support with attendance please do get in touch with us.**
